

Full STEAM ahead into Summer Fun and Learning

Unity Preschool's Unity Summer Bunch Camp 2018

Unity Summer Bunch Camp is a four-day-a-week program for children ages three to five that's based around Science, Technology, Engineering, Art and Math curriculum (STEAM).

STEAM concepts will be introduced through fabulous children's literature. There will be science, art, cooking and tons of fun. We meet each morning at Firemen's Park then head back to Unity for more activities. Children bring their own snack and lunch each day.

Unity Bunch meets from 9:30 to 12:30 each Monday through Thursday, from June 4 through July 26, but not the week of July 4. Early bird registration cost is \$130 per week. You can sign-up for all seven or for whichever weeks work best for your family's summer schedule.

Attendees must be completely potty-trained and three years old by June 4.

Questions? Call our director, Annie Hughes, at 847-869-7170.
